FTII STRIKE: Day 46

It has brought to our notice that the FTII administration is contemplating taking adverse action against the contractual staff and faculty members citing the ongoing strike at FTII.

We are alarmed at the developments and hope that coercive measure will not be used against any member of the FTII community .All such measure to arm twist the stakeholders of FTII is undesirable and un called for.

We extend full support and solidarity to each member of the faculty and staff who feel threatened.
